

Guided Notes Tutorial

In Edmentum, Units have tutorials.

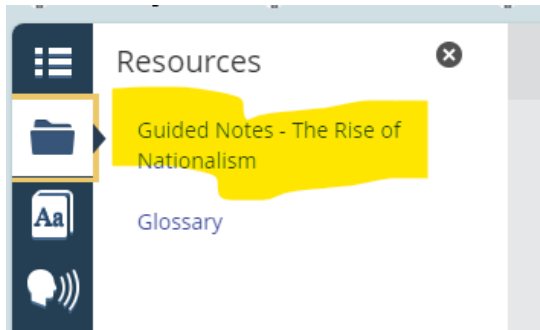

In the image above, the half circle on the tutorial link, shows incomplete. The Unit 1: half circle also shows incomplete. All circles have to be solid blue like the circle on the mastery test.

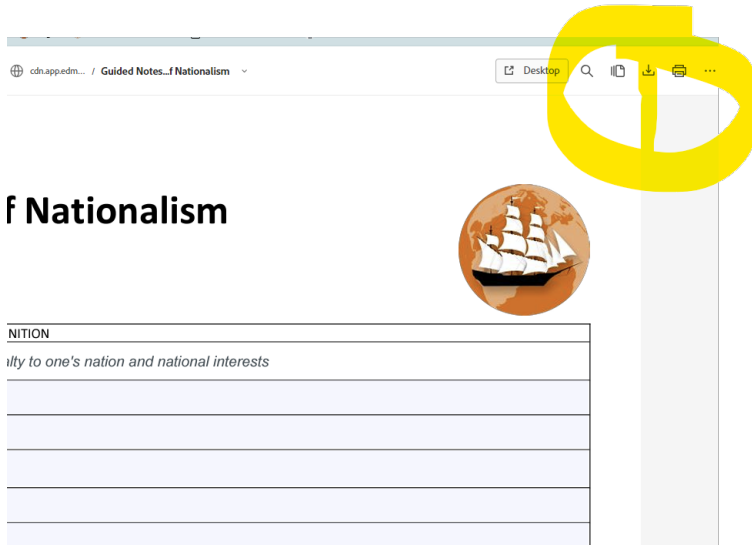

Click on the Tutorial, it opens to a video. On the left you will see, a folder, click on it:

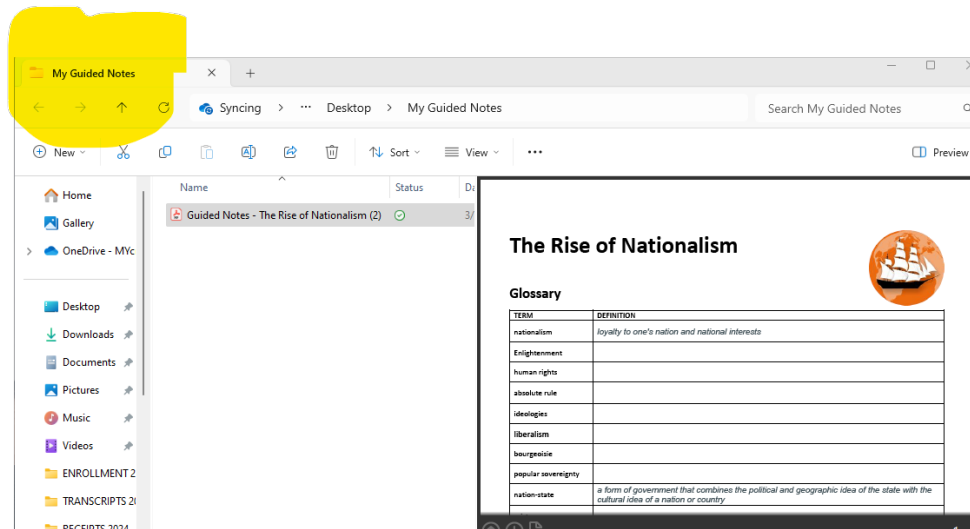

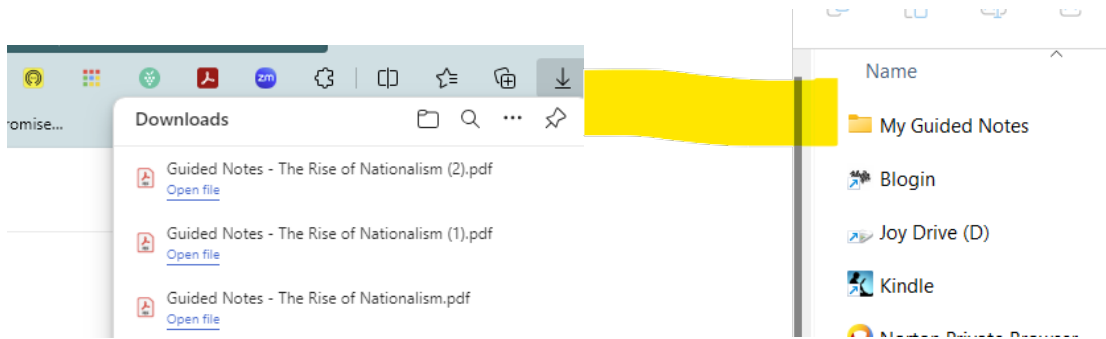

Then click to open the Guided Notes

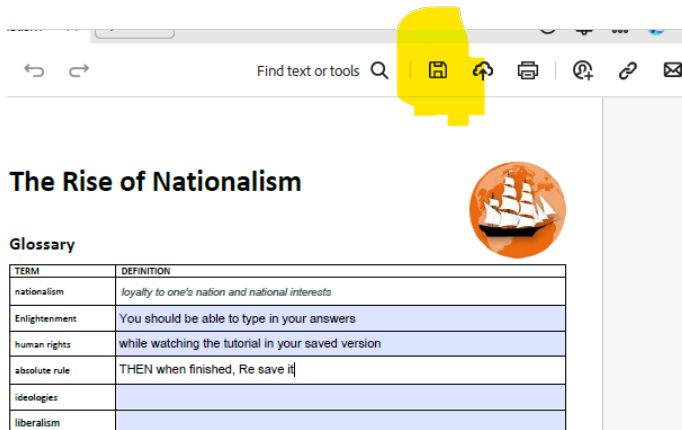

When it opens, you must download it to your computer and reopen it on your computer, not the website:

Make a folder on your desktop called My Guided Notes and save the file there.

Watch the tutorial and fill in the answers in the document, then resave the document.
